

Noa Winther

Facade architect - brick, glass, timber and shade

noa@example.com · Copenhagen, Denmark · example.com

Facade architect with twelve years on the outside of buildings: six at an envelope engineering firm, three leading facades in a design studio and three on my own. I take a building front from the first sketch to the last panel on site.

EXPERIENCE

Facade architect

2022-03 – Present

Noa Winther Studio · Copenhagen

Five building fronts a year, concept to site.

Facade lead

2019-02 – 2022-02
